

Tamper Resistant Vision Window

Product Overview

- The Tamper Resistant Vision Window is perfect for public areas where restricted access is necessary to prevent damage and unauthorised operation of the control panel. The cover features a fully welded steel construction and key lockable inner door making it robust and secure.
- The Vision Window is available from stock, fully assembled, and can be fitted on site in minutes by simply taking out the hinge pins on the existing enclosure, removing the lid before fitting the new Vision Window cover and hinge pins.
- Control panels can also be supplied pre-fitted with the Vision Window. This applies to any M2 size Sigma CP, Sigma CPA, Sigma CP-R, Sigma XT, Sigma A-XT or Syncro AS control panels. Please contact our sales department for prices.
