

Kentec Electronics Ltd. Training Courses

Syncro Level 2 Course Schedule

The Syncro Level 2 Training Course is specifically designed for candidates who have completed our Foundation Course and provides a more hands on approach to Installation, Commissioning and Problem solving.

The Course concludes with an introduction to the Syncro GUIDE Fire Alarm Management System.

The course follows the following schedule -

- Loop card – adding and configuring
- Expansion cards – adding and configuring
- Syncro modem module
- Syncro Matrix - adding and configuring
- Syncro View repeater
- Adding the network card and configuring the Syncro network
- Merging Network Files
- Syncro Focus / Focus + repeaters
- Firmware update procedure
- Advanced Loop Explorer facilities
- Cross Network Cause and Effects Programming
- Written Examination
- Introduction to Syncro GUIDE

Demonstration panels and laptop computers will be available for use during the training session -

Attendees will receive a certificate of attendance upon completion of this course.
